

H₂O EXPRESS TEST KIT

FAST, EASY, COST-EFFECTIVE SYSTEM RECOMMENDATIONS

The H₂O Express Test Kit is designed to help you choose the best Pentair® Everpure® solution for your equipment based on the condition of your water!

Part Number: EV650101 (1PK)
Part Number: EV650106 (6 PK)
Part Number: EV650206 (6 PK WITH DISPLAY)

Testing is easy! Complete the instruction form included in the kit. Next, collect a water sample according to the instructions and send it to the address on the form. The sample will be tested, and a system recommendation will be sent to the email address(es) provided on the form. Everpure H₂O Express Test Kits are available through an authorized Pentair Dealer.

TEST KIT FEATURES:

- ◆ Evaluation of water quality to determine your treatment needs
- ◆ Mail-in lab test for economical analysis and recommendation

TEST KIT CONTAINS:

- ◆ H₂O Express Test Kit Form with instructions
- ◆ One (1) 250 mL water sample bottle
 - Please be sure to fill each bottle with cold, unfiltered water; otherwise, certain physical characteristics may not be evaluated.
 - To be filled and mailed to Pentair for laboratory testing.
- ◆ Resealable plastic bag for shipping (not shown)
- ◆ Prepaid shipping for Channel partners

TEST RESULTS INCLUDE:

- ◆ pH
- ◆ LSI
- ◆ TDS
- ◆ Chlorides
- ◆ Alkalinity
- ◆ Bicarbonate
- ◆ Calcium
- ◆ Chloramines
- ◆ Hardness
- ◆ Sulfates
- ◆ Total Chlorine
- ◆ Free Chlorine
- ◆ Turbidity
- ◆ Silica

Test results are generally complete in five (5) business days after receipt by Pentair's test lab.

The purpose of this recommendation is to help Pentair users select the best water treatment for their application based on the water quality parameters presented here and proven technologies to help protect equipment against undesirable water characteristics. Many variables can influence water's overall impact on equipment or beverage quality, including application specifics, equipment design, features, and operator use. Pentair is not liable for equipment conditions at any time. Consult with your Pentair Dealer or contact the factory for further assistance in selecting and sizing the right Pentair solution for your application.
